# Parent Dashboard

## 2 Dashboard View:

Here are some of the main features you can use:

**View/Edit Student Profile:** The option allows the parent to view their child's profile and allows them to modify basic information. Students can use either the registered email or the Userid to login into the ELC account.

**Subscription Filters:** Parents can filter the subscription status with the help of a drop-down, by default "All" will be selected

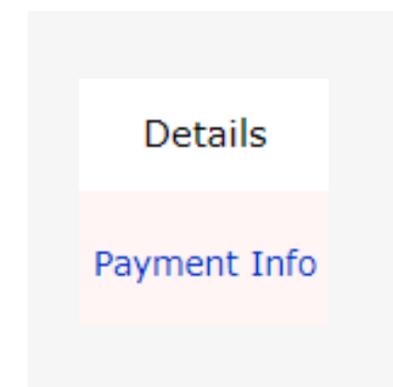

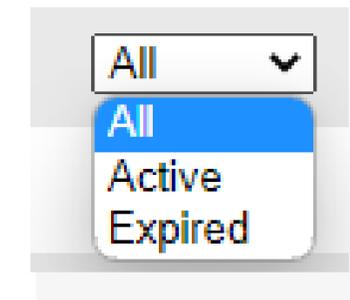

**Student Report:** The  option will allow parents to view student summary and activity reports.

**Subscription Status:** The system populates the following status based on the user's current registration condition:

- **Active** : Student whose subscription is active
- **Inactive** : Student who has completed the diagnostic test but has not yet subscribed
- **Expired** : Student whose subscription validity is over

**Payment Info:** This option will provide the details/receipt of the payment made during the registration process.

**Login:** This  option will allow parents to login to the student account and view/access the courses.

# Adding New Student/Child

The screenshot illustrates the process of adding a new student/child. At the top, a yellow '+ Add Student' button is highlighted with a red box and a hand cursor. Below it, a blue '+ Add Course' button is visible. The 'Child 1' section shows 'Enter Your Child Name' with input fields for 'Robert' and 'Stew'. A progress bar at the bottom shows steps: 1. Course Selection, 2. Billing, 3. Order Info, 4. Payment. The 'Payment' section is active, showing a credit card form with fields for card number, expiry, and card code. A 'Confirm Order & Pay' button is at the bottom right.

## 1 Add Student:

On the dashboard click on '**Add Student**' button.
